

SCOTTSDALE, AZ / The Newswire / August 13, 2015 – BioNovelus, Inc. (OTC: ONOV) is pleased to announce that Mr. Jean Ekobo has been appointed as its new President and CEO.

Mr. Jay Pignatello resigned as president of BioNovelus on August 12, 2015 in order to pursue new endeavors. The Company would like to thank him for his services and wish him all the best in his current and future endeavors.

The Company is planning further nominations announcements and a corporate update for next week.

ON BEHALF OF THE BOARD OF DIRECTORS

“JEAN EKOBO”

Jean Ekobo, President & CEO

About BioNovelus, Inc.

BioNovelus’ vision is to answer critical environmental problems and to replace harmful chemicals with ecofriendly and profitable technologies respecting our planet. The Company’s mission is to offer proprietary disruptive green technologies that are innovative, cost-effective solutions for our customers and partners, and benefit our shareholders and the planet at large.

As a cutting edge clean tech company, BioNovelus is foreseeing the needs and requirements that will occur in the future, especially concerning the North American and European regulations regarding biocides and chemicals in the USA and Europe.
